Council Special Meeting Summary June 30, 2026 via Webinar

This is a summary of the Council's public meeting on June 30, 2026. The Council met via webinar for a work session on the Ninth Power Plan. The meeting agenda is posted at <https://www.nwcouncil.org/calendar/council-meeting-2026-06-30/>. The meeting recording and a copy of this summary will also be posted on that page.

The work session began with Jennifer Light, Director of Power Planning, providing an update of the power plan process and analyses to date. The update included a discussion of steps that would follow the release of a draft plan for public review and comment, as is currently scheduled for the July Council meeting.

Then Director Light presented to the Council members for discussion all the revised chapters of the draft Ninth Power Plan, as well as a first look and discussion of the introduction to the draft plan.
