MEMORANDUM

TO:  Fish and Wildlife Committee Members

FROM:  Patty O'Toole, Fish and Wildlife Division Director

SUBJECT:  Committee Update and Planning

Summary:  Happy New Year 2024! The Fish and Wildlife Committee meeting will begin with the usual Committee Update and Planning agenda item. This is a standing item for the Fish and Wildlife Committee agenda. This is an opportunity for staff to briefly address important topics for the month with the Committee. The content presented each month may vary slightly and might include an: introduction to the agenda for the day, a brief check-in on the division workplan, updates on relevant regional fish and wildlife developments or follow-ups from previous Council discussions. This agenda item is also an opportunity for Committee members to raise questions or request future discussion or agenda items.
