MEMORANDUM

TO: Council Members

FROM: Bruce Suzumoto

SUBJECT: Proposed federal agency configuration and operational changes at mainstem dams

Therese Lamb of the Bonneville Power Administration and Rock Peters of the U.S. Army Corps of Engineers, Portland will describe ongoing federal agency discussions regarding possible configuration and operational changes at mainstem dams. The presentation will include:

- An overview of the need for the development of the alternatives.
- The process used by the federal agencies when developing the alternatives.
- A description of the alternatives and their estimated cost savings.
- An outline of the process that will be used for reaching a final decision on the alternatives.

Attached is a description of the proposed changes under discussion. The description of proposed changes can also be found on the web at:
