MEMORANDUM

TO: Council Members

FROM: Kerry Berg

SUBJECT: Update on Montana Wildlife Program

Alan Wood, from Montana Fish, Wildlife, & Parks, is the Wildlife Mitigation Coordinator for Libby and Hungry Horse Dams. Alan has been involved in a number of mitigation projects and has worked with the Council and Bonneville on a number of occasions. Alan will discuss Montana's Wildlife Program and some of the activities the program has accomplished in Northwest Montana. The State of Montana's Wildlife Program at Libby and Hungry Horse largely stems from an agreement the State of Montana made with BPA in 1988.
