## MEMORANDUM

**TO:** Power Committee

**FROM:** Wally Gibson

**SUBJECT:** Transmission Issues Briefing at Power Committee Meeting

There has been some further work on the two transmission organizations in the Northwest, Grid West and ColumbiaGrid, the new one focused around Bonneville. More work, primarily in small work groups, will have been done by the time of the Power Committee meeting, but there is unlikely to be major new information by that time. I will update the Committee on whatever has happened by the time of the Committee meeting.
