**TO:** Fish and Wildlife Committee

**FROM:** Patty O'Toole, Program Implementation Manager

**SUBJECT:** Revised information on the cost/acre of past wildlife operation and maintenance costs.

Bonneville staff will present revised information from the PISCES project database regarding past wildlife operation and maintenance costs. This is revised from their presentation to the Council in November.

This information was sent to us in a format too large to include in the hard copy of the packet but will be available in hard copy at the meeting and will be sent via email to Council members and staff.
