## MEMORANDUM

**TO:** Council Members

**FROM:** Lynn Palensky

**SUBJECT:** Report on Coordination Contracts

**BACKGROUND:** At the March Council meeting, staff provided an update on the five regional coordination proposals and briefly described the implementation decision in Bonneville's decision letter that pertains to coordination projects -- definitions and funding. Project sponsors came to the table to report on individual progress.

The Upper Columbia United Tribes are hosting a meeting on April 11 with the five sponsors and Council and Bonneville staff to continue discussing future coordination needs, both generally, and in the context of the program amendments. At the Council meeting I will provide a brief summary of that meeting and invite participating sponsors to provide individual updates.
