## MEMORANDUM

**TO:** Council Members

**FROM:** Terry Morlan

**SUBJECT:** Presentation by Steve Wright, Bonneville Administrator

Steve Wright will offer comments to the Council at the beginning of its December meeting. We do not have currently information on the topics he will address. However, among the important activities that Bonneville has been engaged in are the Biological assessment and draft opinion and the implementation of the Regional Dialogue Policy. Other potential topics might be an update on Bonneville's current financial condition or the idea of an energy efficiency forum.

This provides an important opportunity for communication between Bonneville and the Council. It gives Council members a chance to hear what is on the Administrator's mind and to ask questions that are on Council members' minds.
