## MEMORANDUM

**TO:** Council Members

**FROM:** Shirley Lindstrom

**SUBJECT:** Briefing on Draft Idaho 2012 Energy Plan

Idaho's Interim Energy, Environment, and Technology Committee is preparing a 2012 Energy Plan. The document, much like its 2007 predecessor, will guide Idaho's decisions on both traditional and alternative power sources. The Strategic Energy Alliance, an advisory group to Governor Butch Otter, recently released a draft plan. The Interim Committee is currently seeking public comment on the draft. Rep. George Eskridge, Committee Co-Chair, will provide the Council an overview of what the 2007 Energy Plan accomplished and will outline the 2012 draft recommendations.
