MEMORANDUM

TO: Council Members

FROM: John Shurts, General Counsel

SUBJECT: Written findings and responses to comments to complete the Fish and Wildlife Program amendment process

The draft findings and response to comments are not ready for circulation as of packet day. They may be ready for circulation later this week, and if so, and if the members have enough time for review, the Council may be able to make its decision at the regular February Council meeting. If not, we have reserved February 19 for a special Council meeting by conference call for this purpose.
