MEMORANDUM

TO: Council members

FROM: Tom Eckman

SUBJECT: Comments on Retirement from Council

BACKGROUND:

Presenter: Tom Eckman

Summary: After nearly three and one-half decades and seven power plans (plus one “supplement” and one “comprehensive review”) I will be retiring from the Council at the end of June. In parting, I intend to offer a few reflections on the Council’s role and perhaps speculate a bit on the challenges and opportunities going forward. But, most importantly, I will to take the opportunity to publicly thank all of the members for their diligence and collaboration with staff during the development of the 7th Plan.

Relevance: It’s time to step aside to let the next generation of analysts sustain the invaluable work of the Council and adapt their analysis to address new issues.

My Work Plan: Enjoy “semi-retirement”
