MEMORANDUM

TO: Council Members

FROM: Jeff Allen

SUBJECT: Update on Idaho Fish and Game Issues

BACKGROUND:

Presenter: Virgil Moore, Director

Summary: Virgil Moore, Director of the Idaho Department of Fish and Game, will discuss fish and wildlife issues relevant to the Council's Fish and Wildlife Program. Director Moore will brief the Council on Department of Fish and Game current events and areas of special interest including details about the Department's new "Price Lock" license sales initiative. In addition to highlighting on-the-ground outcomes for several Fish and Wildlife Program projects, Director Moore will review progress made to date to finalize a new Stewardship and Restoration Agreement between the State and BPA associated with wildlife mitigation responsibilities for Albeni Falls Dam. Director Moore will also comment on his recent appointment to the Association of Fish and Wildlife Agencies as 2017 – 2018 President. Director Moore will review the purpose and value of AFWA as well as items on his presidential agenda.
