MEMORANDUM

TO: Power Committee

FROM: Ben Kujala

SUBJECT: Power Plan Publication Strategy

BACKGROUND:

Presenter: Ben Kujala

Summary: This is an opportunity to discuss a proposed approach to preparing the written material for the 2021 Power Plan and the technical supporting material.

Power Plan Publication Strategy

THE 2021
NORTHWEST
POWER PLAN

FOR A SECURE & AFFORDABLE
ENERGY FUTURE

Seventh Plan Approach

- **Seventh Plan Chapters**
 - 20 Chapters – shortest chapter was 2 pages, longest was 56 pages
 - 442 pages total
- **Seventh Plan Appendices**
 - 565 pages total

General Proposed 2021 Plan Approach

1. Comprehensive technical material drafted first as web pages
2. Internal editorial meeting, including power staff, legal, and public affairs, to determine what should be highlighted in the plan document
3. Staff prepares first drafts following draft table of contents
 - i. https://www.nwcouncil.org/sites/default/files/2019_0312_p1.pdf
4. Power Committee review and feedback
5. Staff incorporates feedback
6. Possible technical editor review
7. Full Council review and feedback
