Role of GRAC

- Advisory committee established to assist in development of Council's Power Plan
- Two year charter
 - Renewed March 2014
 - Members appointed May 2014
- GRAC serves in advisory capacity
 - No votes are taken
 - Role is to review information, vet assumptions and information, and make recommendations to the Council
- Aim for active participation and exchange of ideas and information

Thank You

Advisory committees play an important role in the Council's power planning process and we appreciate your participation and expertise.

Please don't hesitate to contact us with any questions or comments.
