MEMORANDUM

TO: Fish and Wildlife Committee members

FROM: Lynn Palensky

SUBJECT: Project Review: Future Reviews

BACKGROUND:

Presenters: Lynn Palensky and Mark Fritsch

Summary: Future Reviews: Brief status report on past reviews and funding recommendations and thoughts on moving forward with next sets of reviews. No action necessary.

On the following page is a quick reference guide showing the current status of funding recommendations from previous reviews. Staff will review and discuss alternatives for future reviews with Committee.

Category and Programmatic Issue	Year Reviewed (Council Recommendation)	Status
Wildlife (30)	July 2009	Currently in review; funding recommendations to be made in 2017
RME & AP Research	June/July 2011	
<ul style="list-style-type: none"> Research projects in general (<30) 		Three-year funding recs through FY 2014.
<ul style="list-style-type: none"> Artificial production monitoring and evaluation 		All AP projects have funding rec through FY2016. Columbia River Hatchery Effects Evaluation Team (CRHEET) was never fully-developed or funded since the review.
<ul style="list-style-type: none"> Sturgeon 		Funding recommendations until 2013, Management Framework was completed and subcommittee to Council in December 2013
<ul style="list-style-type: none"> Lamprey 		Funding recommendations until 2013. No follow up regional synthesis report submitted to date. Sponsors have been working with the Pacific Lamprey Technical Workgroup and the Conservation Team to assist in developing a regional synthesis report to address ISRP issues.
<ul style="list-style-type: none"> Habitat effectiveness M&E 		Currently in discussion to define actual Program needs - regarding the Program's approach and tools used to assess habitat action effectiveness in the tributaries and to guide habitat actions implementation.
Resident Fish, Data Management and Program Coordination	July 2012	Funding recs through 2017
<ul style="list-style-type: none"> Regional Coordination 		Funding recs through 2015
<ul style="list-style-type: none"> Resident Fish 		Funding recs through 2017
<ul style="list-style-type: none"> Data management 		Funding recs vary from 2013-2017. Several projects were involved in the follow-up PERC review process which resulted in some being closed out.
Geographic (Habitat) (~83)	November 2013	Funding recs through 2017
<ul style="list-style-type: none"> Evaluate and Improve Umbrella Projects 		Currently conducting the follow-up three year performance/effectiveness review
